Collection and Use of Personal Information

Our app, Limitless Digital Workplace for Innovation (full offer name) or IT-Dev Challenge Board (Teams app name), accesses data from SharePoint lists. Includes:

- Creating dedicated lists to storing info about challenges and participants,
- Managing challenges and participants,
- Managing and tracking progress in challenges,
- Browsing challenges and displaying summaries.

We do not collect any personal information beyond what is necessary to provide the functionalities of the app.

Storage, Retention, and Deletion of User Data

Lists are stored in SharePoint site associated with Team.

Security Controls for Data Protection

Data is secured by SharePoint security mechanisms and can be accessed by a user that is a member or owner of a team related to the SharePoint site. All operations are carried out on behalf of the current user with the use of SharePoint REST API.
